# PREFACE

THE Collection offered here for sale is the most extensive one of its kind which has appeared at auction in England since the Peltzer Sale in 1927.

The main part of the South American coins consists of a large and important collection formed by a well-known South American collector. This is supplemented by a number of other smaller properties of South American coins, so that this series, which is predominantly composed of silver coins, is extremely comprehensive.

All countries in Central and South America are represented and the collection is especially strong in the silver coins of Mexico and Peru.

Apart from South American coins, there is a good selection of European gold, including a collection of the gold coins of Portugal and, at the end, an interesting group of European silver commemorative medals.

# COIN CATALOGUES

On the average we issue twelve or more Coin Catalogues each year, some of which are usually of sales of important collections.

## CATALOGUE SUBSCRIPTIONS

PRE-SALE CATALOGUES, frequently illustrated, are normally posted to subscribers about three weeks prior to the date of Sale.

PRICED CATALOGUES (not illustrated) are issued after each Sale with the prices realised printed in the margin opposite each Lot, thus giving at a glance a reliable guide to values. The final test of value must always be auction prices rather than the figures given in books of reference, for changing times and fashions soon render the latter obsolete and misleading.

The Priced Catalogues are posted to subscribers as soon as ready, usually about three weeks after the date of Sale.

### Subscription Rates

(*commencing from 1st January*)

| | | |
|---|---|---|
| Pre-Sale Coin Catalogues | ..... | 20s. 0d. per annum |
| Priced „ „ | ..... | 40s. 0d. „ „ |

(Reductions for new subscribers commencing after 1st April.)

All subscriptions expire on 31st December, and renewal reminders are issued. Catalogues of past Sales cannot be supplied.

## AIR MAIL

To allow subscribers resident outside Europe time to submit postal bids, Pre-Sale Catalogues will, if desired, be sent by Air Mail. Air Mail postage is not, however. included in the Subscription Rate and must be borne by the subscriber. In such cases an additional £1 should be sent as a deposit and we will advise when this is exhausted.
